

SIZE GUIDE

HOW TO MEASURE

1. HEIGHT:

Measure your child without shoes (the child not yourself!) Place feet together and take measurements from the top of the head to the floor.

2. CHEST:

Place tape as close under the arms as possible and measure around the fullest part.

3. WAIST:

Measure your child around the natural waistline. Tape should be comfortably loose.

4. INSIDE LEG:

Measure from the crotch to floor, legs shoulder width apart.

BABY, TODDLER & KIDS

AGE	WEIGHT	HEIGHT	CHEST	WAIST	HIP	INSEAM
TINY BABY	2.5kg	up to 50cm	36cm	36cm	34cm	17cm
